

## SALTASH MAGNIFICENT 7 FUN RUN

Following another successful year for the annual Saltash Magnificent 7 fun run, John Smith of the Tamar Trotters and organizer of the event advises that he would like to Thank Maitlands Sales and Lettings for their sponsorship and involvement in this year's event. It is true to say that the success of the day is down to a lot of effort on behalf of the Club but equally this event wouldn't have the reputation it has without the support that you have given over the years and again this year. We are truly grateful for your ongoing help.

Andrew Blacklock of Maitlands Sales and Lettings advise that we have sponsored the event for many years and all the staff enjoy attending the well organized day. As a company Maitlands strongly believe in giving our time and resources where possible to assist in the local community, within the towns that we operate.
